

AMANDA BAGNALL

2019 National Suicide Prevention Conference

Encanta has organised Suicide Prevention Australia's annual national conference since 2014. I joined Suicide Prevention Australia in 2018 and began working with Lexie and the Encanta team to deliver the 2019 conference. The 2019 conference was a great success and surpassed the previous number of attendees, abstract submissions and award nominations. Lexie and the team are always extremely approachable, calm and professional. They go above and beyond to accommodate every request and last minute change that the conference involved.

It is always a pleasure to work with Lexie and I look forward to doing so again in 2021!
